

Light::Component

```
classDiagram
    class LightComponent["Light::Component"]
    class LightMeshComponent["Light::MeshComponent"]
    LightMeshComponent --|> LightComponent
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a black border containing the text "Light::Component". Below it is a gray rectangular box with a black border containing the text "Light::MeshComponent". A blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that "Light::MeshComponent" inherits from "Light::Component".
