

Light::Component

```
classDiagram
    class LightComponent["Light::Component"]
    class LightCameraComponent["Light::CameraComponent"]
    LightCameraComponent --|> LightComponent
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a black border containing the text "Light::Component". Below it is a gray rectangular box with a black border containing the text "Light::CameraComponent". A vertical blue line connects the bottom center of the gray box to the bottom center of the white box, ending in a solid blue upward-pointing arrowhead.
